“These commandments that I give to you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.” Deuteronomy 6:6-7

The family is the primary place that children learn values, character qualities, and beliefs. As parents and grandparents, we must be intentional when it comes to teaching these vital life lessons to our children. We cannot leave them to chance.

Two convenient times are being offered in order to serve all families.
