God saved us and chose us to be his holy people. We did nothing to deserve this, but God planned it because He is so kind. 2 Timothy 1:9

A Look at August

Mrs. Todt & Miss Tracy

Welcome back and welcome aboard! The first few days of August provide opportunities to get to know one another and/or get reacquainted through games, free play and guided activities. Miss Tracy and I are very excited to begin another school year and look forward to all we will learn and do together. In addition to our daily phonics and seatwork during August and September, we are taking a look at all the amazing things God made as we learn about creation. We will also have fun with opposites and have a special day planned to celebrate! A note will go home in September regarding this fun day. You will find lots of information about what is going on at school by checking out our class calendar below. Parents or grandparents are always welcome to attend field trips with us. You can indicate who will/will not attend on field trip permission forms, which you will find in your

child's book bag a week or two before a scheduled field trip.

Each month, the sight words we have been introduced to will appear below the juggling clown. Encourage your child to tell you what they are. (Since August is short, these will be our sight words for September as well.)

T/TH Class

Welcome to Preschool!

Mrs. Kaufmann & Miss Vinlove

We are so glad to have each of you here at Trinity Lutheran Preschool! We have had a lot of fun getting to know each other through songs, play, and games. We have been very busy learning our class routine, our printed names, that God created the world, and that He made us special! We will also learn about Adam and Eve this month and how God loves us so much He sent Jesus to save us from our sins. We will take a field trip to the Apple Barn and learn about how apples grow. Parents and Grandparents are welcome to join us for any field trip. Just indicate will/will not attend on the permission form, which will come home in their backpack. Also, look for a progress report in September. These will help you know what we are working on at preschool. Each of the girls are precious and such a joy to have in class!

The calendar is printed below with some important dates to remember. We will have Show and Tell on Thursdays. Please help your

child select the appropriate item to bring to school. For example, on September 7, they can bring their family picture and **one** favorite toy/book/stuffed animal/etc. that begins with Letter S. Then, they can tell us about their family and the item they brought.
