## A Peek At Our (May) Weeks

On behalf of Miss Tracy, Miss Vinlove and myself, we feel so blessed to have been a part of your child's school year. What a wonderful year we have had at school! The children have grown in so many ways since last August. Friendships have been strengthened, memories made, and lessons learned. We have had lots of laughs and a few tears. It has been our pleasure and privilege to watch your child's personality unfold day by day and marvel at this splendid miracle of development. All a part of God's grand plan for your child.

Many of our first year students came to school shy and somewhat hesitant about the whole school thing! They are leaving us confident and oh so grown up. All of these things your child would have accomplished on his/her own; however, our lives have been enriched by the children and families we have served and we hope the same is true for you.

Whether you are returning in the fall or you are going on to new beginnings, all of us at Trinity Lutheran Preschool wish you God's love and abundant blessings.

### GOD MADE US SPECIAL

We think we know all about our little friends, but the wonderful poster boards give us a sneak peek at a few things we do not know!

**HALLE** looked beautiful dressed as Elsa for the father/daughter dance. We loved the picture of Halle loving on her brother, who she affectionately calls Hankers! We learned that Halle is a swimmer and a runner! And something we DO know about Halle, she LOVES puzzles and she is GOOD at them too!

**AUDREY** baked a cake for her daddy's birthday, and it looked scrumptious! She loves splashing in puddles, her baby sister Ella and going to the Ozarks. She introduced her dog Charlie and Lenny too, who went to heaven to be with Jesus. We found out she and daddy are Cardinal fans and saw a picture of Audrey dressed as a zombie - spooky!

**KATE** is our last, but certainly not least Someone Special, and what a great poster board she shared. Included were Fun Kate Facts: Kate was born on Valentine's Day. She loves chips with salsa and cheese dip and the color pink. She is great at jumping on a trampoline and loves books and dress up time. We loved Kate's picture of Lego Land and laughed at the pic of she and brother Eli as hotdogs! Our very favorite though - family story time with mom.

Nurse Kayla from the Sangamon County Public Health Department completed Vision & Hearing Screening. If you DID NOT receive a letter from us, everything was normal.

Our T/TH End of Year Party is rapidly approaching. We will meet you in the multi-purpose room at 10:30

Thursday,

May 18.

We will show you a few things we have learned this year and then we will party and enjoy some homemade treats!

**Graduation** for our M/W/F Pre-K students is scheduled for Wednesday, May 17 at 6 p.m. Please bring your child into his/her classroom by 5:45. Have a seat in the church and we will see you there!

**NEXT FALL**

If you and your child had a good experience at Trinity Lutheran Preschool, we would appreciate you sharing that with others!

We have two spots left in our M/W/F class. If you would like to enroll your child, now is the time to do so!

We have several openings in our T/TH class, so if you know someone who would benefit from a Christ-centered early learning program tell them about us!
