## M/W/F Class February News

### God Made Us Special!

Kayti's poster board was filled with fun pictures of family times. We loved her Disney pictures, especially riding a "very scary ride"

as she explained! We saw Kayti brushing a pig... yes a pig! Playing soccer, as well as Kayti on her first birthday, were favorites of ours. We are so blessed to have Kayti as our friend, and she is very special to God and to us!

Halle's poster board included real ketchup and a real Kit Kat bar, two of her favorite things! We saw many family pictures, including baby brother "Hankers", Halle farming with her

daddy, and mommy and grandma too. Two of Halle's favorite things to do at school are puzzles and dress up play, so we loved seeing pictures of both on her poster board, especially Owlette! God made Halle special indeed!

February was filled with LOVE...like a fun Valentine's Day party and time for exchanging cards with our friends....hearing about God's BIG, amazing love for us....painting and crafting Valentine's projects during art time... playing musical chairs and searching for hearts with a picture of Jesus inside, during play time.

We also had some fun with our February Ocean Theme, exploring floating and sinking objects, creating a beautiful ocean scene with paint and sponge fish and reading and learning about the many sea creatures God created.

## T/TH Class God Blesses Us with Special Friends

Mrs. Kaufmann & Miss Vinlove

February was filled with fun activities, books, and songs to learn about Friends and Feelings. We learned that our Best Friend is Jesus because He gave His life for us on the cross. We thank God for giving us all our friends—especially Jesus!

Each student had a turn being our "Someone Special" for the week. Thank you so much for helping your child put together a poster of family pictures and some of their favorite things to help us learn more about each of our friends at preschool!

Josie was our first "Someone Special" and was so proud to tell us all about her big brother, "Augie", and her little sister, "Lynni", who she loves very much! Josie enjoys baking brownies, playing house and pretending with her dolls and Barbies. Her favorite color is purple and her favorite food is mac-n-cheese.

She loves her family and going to school. God made Josie very special!

Landree's poster was very colorful with bright purple, pink, blue and green pom-poms and stickers on it. She loves her family, especially her little brother, "Lukey". (We have a pretend birthday party for him almost every day with our dolls at preschool.) She loves cats, ice cream, tractors, and anything outside. We loved the picture of her playing in the mud! We are so glad Landree is one of our special friends from God!

Nadine is very special to us, too! She loves her Momma, Pappa, and big brothers Dallas and

Justin! She also loves her cat, Max. She enjoys playing doctor and watching Doc McStuffins. She also likes Minnie Mouse and stuffed animals! Her favorite food is pizza and her favorite color is pink. Thank you, God, for Nadine!

Addy's poster had her favorite colors of pink and purple on it. She loves her family and being a big sister to Austin! She also loves her grandpa's cows, playing dress up, and riding tractors. We loved the picture of Addy sliding on the big slide. She likes to be outside where she can run, swim, and climb. God gave us a special friend in Addy.

Nurse Kayla from the Sangamon County Public Health Department will be at Trinity Preschool on Friday, March 16, at 8:30 a.m. to provide a FREE vision and hearing screening for our students. The 3's class is welcome to come take advantage of this screening as well.
