Winter is past, the rain has stopped; flowers cover the earth, it is time to sing! Song of Songs 2:11-12

M/W/F Class March News

Mrs. Todt & Miss Vinlove

God Made Us Special!

Poster boards are a wonderful way for your children to bring a little bit of home into the classroom, and they love to share. Carrigan is no exception! Her poster board gave us a glimpse of all those important family members who love her, and we especially loved meeting

her Great Grandma Cuckoo, who recently went to be with Jesus. We loved her Halloween costume and pictures with her brother Finnigan. Carrigan is special to God and to all of her school friends too!

Finlee is a very special little boy and our special friend as well! His poster board was filled with action pictures! To name a few...climbing, tumbling, soccer, four-wheeling, AND we learned he is a frog jumping contest champion and has a trophy to prove it!

Fin loves dinosaurs and all animals. And we love Fin!

Eden loves owls, macaroni, and cheese, and we learned this new bit of information from her poster board! We loved pictures of Eden with her cousins and many church pictures. We all thought Eden looked beautiful in her dance costume and we even got to see pictures of her new baby brother Ezra. God made Eden special in every way!

Some of Kate's favorites - the color pink, ice cream and unicorns! We loved Kate's many family pictures, but especially loved seeing Kate's baby picture! How Cute! Kate is beautiful inside and out, even with curlers in her hair—our favorite picture!!

Jacob's poster board was as tall as he is and filled with such fun pictures. We got to see Jacob farming with his grandpa, making mud pies at grandmas (we decided we want to try this!), at work with mommy, and 4th birthday pictures. We all know how fast Jacob can run, but we did not know he received a trophy for his running abilities. The things we learn from poster boards! God made Jacob special indeed, and we are so happy he is our friend!

Noah is a nerf gun warrior! Yes, we learned this from his poster board! Each letter in Noah's first and last name described something special about Noah. We loved it! We saw Noah's BIG family, his twin brothers and one of our favorites, Noah reading to one

of his brothers. So sweet. We know that Noah loves Paw Patrol, but did not know that Everest is his favorite pup. Oh, the things we learn from our poster boards! Noah is so very special to all his friends at school, and God thinks he is special too!

Nurse Kayla Porter with the Sangamon County Public Health Department, completed vision and hearing screening on all of our M/W/F class students on Friday, March 16. If you DID NOT receive a note from her, your child's screening was normal.

March was a fun-filled month for our class. We so enjoyed Art Teacher Mrs. Boesdorfer teaching us about primary and secondary colors and helping us create a color wheel. We had fun with math and patterns. We loved a visit from our prayer pals and a visit to the Illinois State Museum. The highlight of our month - all the many beautiful Easter stories, crafts and activities. May YOU be filled with the love of Jesus as we celebrate His death, burial and resurrection, the beautiful Easter story!

After Easter break, we'll dive into Rainy Day Activities. On April 9, we will experience puddle jumping, puddle toss and a "rain" art project. One of our favorite ladies, the Insect Lady, visits this month with her incredible display of insects, all created by God. We will do many Curious George

activities in anticipation of our trip to The Golden Meatball. Look for graduation (yes...graduation!) information in book bags this month.

April Sight Words & Blends

top as at

Monday/Wednesday/Friday Class Calendar

April 9	Welcome back to school with Rainy Day Activities Play Day!
April 11	Show & Tell - Letter Z
April 16	Chapel Chat with Mrs. Moldenhauer
April 18	Show & Tell - Letter W
April 18	Insect Lady visits!
April 20	Curious George: The Golden Meatball-Class Act Field Trip
April 25	Show & Tell - Bring anything you wish - be sure to let us know what letter it begins with!

T/TH Class
March Blessings
 Mrs. Kaufmann & Miss Vinlove

At the beginning of March, we were blessed to have a new student join our class! We love playing with our friend, Grayson.

He loves to play with dinosaurs, transformers, and blocks. He also loves his big brother, Korbin, who is in Kindergarten. Grayson likes to listen to stories and dig in the sand. He is full of smiles, which is very contagious. We are thankful for Grayson. God made him Someone Special indeed!

In March, we had fun reading and acting out several Fairy Tales. We also visited the Auburn Fire Station and learned about fire

safety. We loved seeing the firetrucks and all the gear a firefighter wears.

We were also blessed by a couple of visitors at preschool. Mrs. B came to teach us about using patterns in art. We made a beautiful fish scene with her. Our Prayer Pal, Mrs. Swain, also came to read a book and make an Easter craft with us.

The best blessing in March was learning about when Jesus rose from the dead so that we can live with Him forever in Heaven! What a wonderful reason to celebrate Easter! We will end the month with a big party finding eggs and playing fun games because Jesus is ALIVE and gives us new life in Him! We pray you have a blessed Easter with your families!

T/Th
Class Calendar

April 3 & 5	No School. Have a Blessed Easter!
April 10	School Resumes
April 12	Show and Tell—Letter W
April 17	Chapel Chat with Mrs. Moldenhauer
April 19	Field Trip to see Lambs in Pawnee Show and Tell—Letter V
April 26	Show and Tell—Letter Y
May 1	Field Trip to The Stables on HorseFarm Road

Get Your Spring Clean On! Did you know that a little vinegar, baking soda, and lemon do the majority of your spring-cleaning the "natural way"? Clean those air vents, windows and window sills, blinds, and so much more without using the commercial cleaners that are harsh not only on the environment but also on your hands. Use the Scrip cards to purchase the cleaning agents, or if you do use the commercial products, the Scrip cards can be used to purchase these also. It's not too early to think about upcoming summer plans and how Scrip can fit into those plans.

*Susan Stewart & Tina Richmond,
Scrip Coordinators*

Birthday Blessings to You!
