Mrs. Todt & Miss Vinlove

to hockey, (yes, he plays hockey!), and bike riding, Tripp is one active little boy. We loved the pic of Tripp playing with his army men and tank and with little brother Tucker. Our favorite...Tripp as a Ninja!!

**God Made Us Special!**

Tripp is one special little boy and everybody's friend. His poster board was full of adventure. From swimming to water park fun

Our very special Audrey is our final Someone Special, and special she is! We loved her sparkling poster board, which was full of fun, family pictures. Among other things, we learned Audrey LOVES summer, sports and vacation. We are with you Audrey!! But our favorite, the REAL Santa picture and Audrey and her mommy "kissing" for the camera!

Our final month together was busy and fun and truly a celebration of the love and fondness we all share for one another. Your children have worked and played hard this year, and progressed and grown in every way. I have relished each moment of this school year and time spent with your children. God has blessed me with many wonderful years at Trinity, and I'm grateful for each and every one. I will hold dear and treasure this final year, your children, and all of you. And my prayers go with you. Remember...I will ALWAYS be interested in your child and where life takes him/her. Please don't ever hesitate to share good news, prayer requests,

or any news at all about your child! May God bless you, each and every one.

Graduation begins at 6:00 p.m. on Friday, May 18. Please have your child in his/her classroom by 5:45. We can't wait to see you there!

Fondly, Mrs. Todt

# T/TH Class May News

Mrs. Kaufmann & Miss Vinlove

This school year has been such a special year as my first year back to teaching and your child's first year of preschool! Thank you for sharing your child with me and for supporting me throughout the year! Each of my students are so precious to me, Miss Vinlove, and most importantly, to Jesus! I pray that they have not only learned more about friendship, manners, letters, numbers, shapes and colors; but also more about how much Jesus loves them and cares for them!

I hope you can all come for our last day of school at 10:30 am for a special End of Year program! Friends and Grandparents are welcome, too! We want to sing some of our favorite preschool songs for you. We will also show a video of pictures from the year. We thank Miss Vinlove for putting this together and Mr. Moldenhauer for adding music and making copies of the video for everyone to take home!

We certainly had a wonderful year together! Watching your children blossom from the first day until now, has been such a blessing to me! I am going to miss their morning smiles and loving personalities this summer, but look forward to seeing them again at Vacation Bible School, church, and/or next school year! Please stay in touch with me as your child holds a special place in my heart! Hope you all have a very blessed summer!
