A Note From Mrs. Kaufmann

- Our Valentine Party was a special day! Thank you for all the cards and treats you sent! The children all felt very loved. We said "goodbye" to our friend, Hanna, since she is not coming to preschool anymore. She plans to be back in the Fall!
- Registration forms for next school year went home last week. I hope all the M/W Preschool students will be able to return for Pre-Kindergarten next year! Open enrollment begins this month. If you know anyone else who may be interested in our preschool, please let them know about us. I'd be happy to schedule a class visit or tour and/or send home extra brochures upon request to give a friend or neighbor.
- All our Pre-Kindergarten students who live in Auburn will bring home a packet soon from the Auburn schools for Kindergarten registration.
- Thank you to everyone who sent Clorox wipes to preschool! Our supply is replenished with much appreciation.
- Be sure to mark your calendars for the special dress days above and please make note that we only have 1 Show and Tell Day this month. They can bring 1 favorite toy that is a type of transportation.

Please look for Trinity Lutheran Preschool on FaceBook to follow us and see pictures from our class!
